Conference – 2nd & 3rd August, 2025

**Hyatt Regency Hotel,
Teynampet, Chennai.**

Dear Colleagues,

We are delighted to invite you to ReGen 2025, India's leading regenerative medicine conference, taking place on August 1st, 2nd, and 3rd, 2025, conducted by the Department of Anaesthesiology and Pain Medicine, Tamil Nadu Government Multi Super Speciality Hospital, Omandurar Government Estate, Chennai. Following the success of ReGen 2024, we are bringing together orthopaedic surgeons, pain medicine specialists, and forward thinking clinicians like you innovators eager to lead the way in transforming patient care.

As pioneers in your field, you are poised to embrace techniques that are reshaping healthcare. ReGen 2025 will equip you with the knowledge and skills to offer advanced regenerative treatments still rare in India to your patients, delivering outcomes that can change lives. This conference is your opportunity to step into a leadership role in this rapidly evolving space.

On August 1st, 2025, join us at the Tamil Nadu Government Multi Super Speciality Hospital for live case demonstrations, showcasing cutting-edge regenerative procedures. You will observe techniques like PRP, Bone Marrow Aspirate Concentrate (BMAC), Micro Fragmented Fat (MFat), Autologous Conditioned Serum (ACS), and Growth Factor Concentrates in action, gaining practical insights from accomplished experts to enhance your practice. We have added a USG-Guided Intervention Workshop to improve your skills in MSK ultrasound.

On August 2nd and 3rd, we will convene at Hyatt Regency Hotel, Teynampet, Chennai, for a dynamic program of keynote lectures, engaging panel discussions, and interactive sessions. These will cover the latest advancements and proven strategies, empowering you to achieve exceptional results for your patients.

We are honoured to present an outstanding faculty, including international experts such as Dr. Alberto Gobbi (Italy), Former President of the International Cartilage Regeneration and Joint Preservation Society; Dr. Joe Purita (USA), a renowned expert in stem cell therapy; and Dr. Nathan Katz (USA), a global leader in adult stem cell therapies. Alongside India's top specialists, their shared expertise will inspire new approaches and practical solutions tailored to your work.

To spark your journey early, we're hosting a series of pre-conference webinars in the weeks leading up to ReGen 2025, diving into key topics in regenerative medicine. These sessions will set the stage for the rich discussions awaiting you in Chennai.

ReGen 2025 is more than a conference it is a platform to connect with peers, master transformative techniques, and lead India's regenerative medicine movement. We are excited to see you in Chennai, ready to make a lasting impact on your patients' lives.

We are proud to be associated with ISSP, ISA-TN, TNOA, MOA, and ICS. This event will be endorsed by the Tamil Nadu Medical Council for CME credit points

DAY 1 HIGHLIGHTS

Live Cases Preparation

Explore Preparatory methods of:

- Platelet-Rich Plasma
- Bone Marrow Aspirate Concentrate
- Autologous Conditioned Serum
- Stromal Vascular Fraction

Live Cases Demonstration

Witness application in:

- Spine interventions
- Knee procedures
- Shoulder treatments
- Elbow therapies
- Subchondral injections

USG Workshop – Expert Led Training for Unparalleled Precision

Join our Ultrasound Bootcamp

for beginners and enhance your skills in Musculoskeletal ultrasound. Improve accuracy in therapies and outcomes. USG for

- Shoulder , Elbow , Wrist , Knee

DAY 2 AND 3 HIGHLIGHTS

Knowledge Packed Sessions

Power packed sessions brimming with topics focussed on latest insights and innovations in Regenerative Medicine. Gain knowledge from the global stalwarts and integrate in your clinical practice

Connect and Collaborate

Meet pioneering experts in regenerative medicine, network with peers, and exchange ideas to enhance your clinical skills and confidence.

Interactive Sessions: Learn, Engage, Apply

Engage in highly interactive sessions, clarify your doubts, and walk away with actionable insights to seamlessly integrate into your practice.
